Note: All seam allowances are $\frac{1}{4}$ " unless otherwise specified. Press seam allowances open unless otherwise indicated.

Make the Sashing Units

① Draw a diagonal line from corner to corner on the wrong side of 48 **A** squares.

② Place a marked **A** square right sides together on one end of a **B** sashing strip, as shown below. Sew on the marked line. Trim the excess corner fabric, leaving a $\frac{1}{4}$ " seam allowance. Fold the corner triangle to the right side. Press the seam toward the triangle. Repeat to make a total of 31 **A** units.

A unit
Make 31.

③ Place a marked **A** square right sides together on the unsewn end of an **A** unit from step 2 as shown below, noting the diagonal line direction. Sew on marked line. Trim the excess corner fabric, leaving a $\frac{1}{4}$ " seam allowance. Fold the corner triangle to the right side. Press the seam toward the triangle. Repeat to make a total of 17 **B** units.

Quilt Assembly

① Referring to the quilt photo, arrange the **C** squares in five rows of four squares each. Noting the orientation of the corner triangles, place an **A** unit between the squares in rows 1 and 5. Place a **B** unit between the squares in rows 2, 3 and 4, again noting the orientation of the corner triangles. Sew the squares and units in each row together along adjacent edges. Press the seams toward the **C** squares.

② Referring to the quilt photo, and noting the orientation of the corner triangles, arrange two **A** units, two **B** units, and three **A** squares to make a horizontal sashing row. Sew the units and squares together along adjacent edges. Press the seams toward the **A** squares. Make four horizontal sashing rows.

③ Matching seams, sew one horizontal sashing row between each row from step 1 to complete the quilt top. Press the seams toward the step 1 rows.

Finishing

① Remove the selvage from each edge of the backing fabric. Cut 2 strips, 12" x width of fabric, from the yardage. Join the strips along one short end, using a $\frac{1}{2}$ " seam allowance. Press the seam open. Join the strips to one long edge of the remaining yardage, using a $\frac{1}{2}$ " seam. Press the seam open, and trim the strip end even with the lower edge of the yardage.

② Layer the quilt backing, batting and quilt top. Quilt as desired. Stitch around the perimeter of the quilt, a scant $\frac{1}{4}$ " from the edge. Trim the excess fabric and batting. Use your favorite method to bind the quilt.
