away from the center row. Make 12 **A1** and 6 **A2** Star Blocks.

## Assemble the Quilt

1 Arrange 24 sashing strips, 17 cornerstones, and 14 edge cornerstones into rows as shown in the Quilt Assembly Diagram. Sew the elements in each row together along adjacent edges to make the sashing strips. Press the seams toward the cornerstones and edge cornerstones.

2 Arrange the Star Blocks, remaining sashing strips and outer border triangles in diagonal rows as shown in the Quilt Assembly Diagram, noting the placement and orientation of the A1 and A2 blocks. Sew the elements in each row together along adjacent edges. Press the seams toward the blocks or outer border triangles.

3 Referring to the Quilt Assembly Diagram, join the rows and sashing strips together, matching seamlines, to complete the quilt top.

## Finishing

1 Remove the selvages from the backing fabric, then cut the yardage into two equal lengths. Join the pieces together along one long edge, using a 1/2" seam allowance, to make the quilt backing.

2 Layer the quilt backing, batting and quilt top. Quilt as desired. Stitch around the perimeter of the quilt, a scant 1/4" from the edge. Trim the excess fabric and batting. Use your favorite method to bind the quilt.
