# JUST DON'T CRAWL QUILT PATTERN

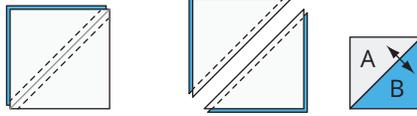

Note: All seam allowances are  $\frac{1}{4}$ " unless otherwise specified. Press the seam allowances as indicated.

## Make the Blocks

1 Draw a diagonal line corner to corner on the wrong side of the  $3\frac{1}{8}$ " **A** squares.

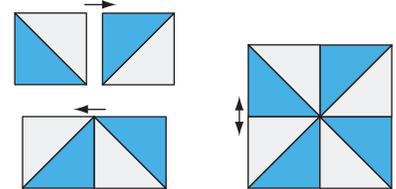

2 Layer the marked **A** squares right sides together with the  $3\frac{1}{8}$ " **B** squares. Sew  $\frac{1}{4}$ " away from each side of the marked line. Cut along the line, and press the seams open to make two half-square triangles (HST). Repeat to make a total of 88 HST.

Make 88.

3 Arrange four HST in two rows of two HST each as shown. Join the HST in each row together along the adjacent edges. Press the seams in each row in opposite directions. Join the rows together along the adjacent edge, matching the seam lines, and nesting the seam allowances. Press. Make a total of 22 Pinwheel blocks.

Make 22.

## Quilt Top Assembly

1 Referring to the quilt photo for fabric and block placement, arrange the 22 Pinwheel blocks and 5" squares into 14 rows of 12 blocks or squares each. Join the blocks in each row together along adjacent edges. Press the seams in each row in alternate directions.

2 Join the rows together along adjacent edges. Press seams in one direction.

## Finishing

1 Remove the selvages, then cut the backing fabric into two equal lengths. Sew the two pieces together along one long edge, using a  $\frac{1}{2}$ " seam allowance, to make a backing with a horizontal seam. Press the seam open.

2 Layer the quilt back, batting and quilt top. Quilt as desired. Stitch around the perimeter of the quilt, a scant  $\frac{1}{4}$ " from the edge. Trim the excess fabric and batting. Use your favorite method to bind the quilt.
